Research conducted in recent years shows that the commitment to the Ülker brand is at a high level.

8- COMPANY GUIDANCE

In the January-March period of 2024, the company continued its activities with its customer-oriented, innovative approach, without compromising the principles of quality and high hygiene. Ülker Biscuits, which removed companies that are not within its main field of activity within the scope of the company's strategy, gathered all production, sales and similar functions under one roof with this new structuring and created a structure that will manage the biscuit-chocolate-cake category from a single source. In order to continue their activities in a more focused structure, to increase corporate governance, efficiency and effectiveness, and to reduce cost the company merged Biskot Bisküvi Gıda Sanayi ve Ticaret A.Ş. and Ülker Chocolate Industry Inc., which are among its domestic subsidiaries operating in the same sector.

With this new structuring;

1. Move the leadership vision and competitiveness of Ülker to the future
2. Power with the focus in the confectionary categories
3. To better evaluate innovation opportunities
4. Provide efficiency in supply chain and channel costs
5. Aims to be able to respond more effectively to consumer needs.

In 2024, the Company continues to work towards its budget and strategic plan goals that have set up to keep its financial and operational results at the highest level.
